

15th Anniversary of Fanizzi's by the Sea

We here at Fanizzi's by the Sea are celebrating our 15th anniversary in Provincetown!

Formerly the location of Pucci's, Paul Fanizzi purchased 539 Commercial St. in Spring 2001. It has been home to Fanizzi's by the Sea dining since then. As many of you know, Fanizzi's is one of Provincetown's most-loved restaurants. Open year 'round, Fanizzi's serves lunch and dinner 7 days a week and Sunday Brunch. We have hosted hundreds of parties and special events, from baby showers to wedding receptions and many lunches and dinners for organizations from throughout Cape Cod.

We are proud and pleased to have made Provincetown home these past 15 years, and we welcome everyone to dine with us – or

join us for a drink at the bar. Thank you to all who have joined us. We look forward to continuing to serve Provincetown and visitors from Cape Cod, Massachusetts, and around the US and world. Here's to another 15!
